Biography

I specialize in speech and debate (exaggerated usage), especially in the attacking debater position. Have been awarded the total best debater throughout the Campus Debate Tournament at Northeast Forestry Univ., and the top-4 in the Northeast Region of the World Chinese Debate Championship, etc. From 2019 to 2020, I captained the University Debate Team (in Chinese).

Retired in 2021! *Still waiting for a good opportunity to make a comeback ...*
